Retirees and Friends please join us next, on Tuesday Nov 8, 11:30 at Olive Garden yes I went by and reminded them and Libby is doing so, as well. The lady apparently, I noticed, could not spell "retiree's" so just tell them you're with the retexiqrsmf group.

Last Thursday Oct 25 we actually had a good size group at Macaroni Grill, and quite a few people were there too, good to see the Jones's, Bergstresser's, Jarvinen's and others I'm too lazy to mention. We had a great time and there wasn't a dry seat in the house.

Big Retirement BRIAN JACOBS is retiring after 34 years, and invites his friends to attend his company party: Free food.

Thursday, November 10th, 5000 Bradford Drive Conference Room E104, 4 to 6 PM.

Please RSVP to kerry.lewter@ngc.com by NOV 8 and advise them that, and if, you are not a current employee I suppose then arrive early for special processing. Brian has local plans continuing into his next life's chapter.

I will forward any messages you wish to send to Brian in case you cannot make this party event and wish to send your greeting. JT
